

Razor City Renegades

Wyoming United – Policies and Procedures

Wyoming United teams are intended to supplement the programs offered by the Razor City Renegades (RCR), and to provide area players a dual USCS card to compete with other players from around the region. The program will provide a solution to clubs struggling to roster a 14U and older team on their own. RCR strongly believes in providing cost effective and diverse playing opportunities to further skill and maturity development. Wyoming United teams are coach driven, and the success of a team rests with the satisfaction of its players along with the knowledge and ability of its coach.
